

The Hollywood Arts Council is on the Move...

2016 is off to an exciting start and we are pleased to announce the location of our new office space at LACE on Hollywood Boulevard. As we grow, this new space promises to offer the Council opportunities for collaboration and partnership with some of Hollywood's other "Legacy" arts organizations - [Los Angeles Contemporary Exhibitions](#), [Freewaves](#) and [Los Angeles FilmForum](#).

Sharing space and other resources will decrease the Council's overhead costs and improve how we serve the community by expanding our reach with other nonprofits that share complimentary mission goals. Plus - it's going to be really fun and LACE does some mind-blowing exhibitions, so I am about as stoked as possible!

Thank you for being part of the journey for the first 38 years, and here's to the next 38. We are *your* Hollywood Arts Council and Hooray for Hollywood!

PS - We are doing our best to make the transition as smooth as possible but there may be a short period of down-time with regard to email and telephone.

Best regards,

Shauna
